VICTORIA, B. C., Feb. 16.

(By S. S. Warrimoo.)

## UNITED STATES.

Representative English Feb. 4 introduced a bill to provide American register for the steamer Kahului, Captain Charles Nelson, which was purchased from the English Government. A similar bill was introduced in the Senate by White.

## NO HOPE FOR FINANCIAL LEGISLATION.

Another day's debate in the House on the financial question has but served to emphasize the fact that no legislation affecting the financial situation is to be expected from the 53d Congress. A week ago, the House refused, by a vote of 162 to 136, to adopt the last Springer Banking and Currency Bill which contained the provision authorizing the issue of long time, low interest bonds, and to-day by the still more decisive vote of 167 to 120, it declined to authorize the issue of 65,000,000 3 percent gold bonds with which to replace the 31 percent bonds, negotiated with the Morgan Belmont syndicate in payment for the purchase of 3,500,000 ounces of gold coin. The consideration of the joint resolution for this purpose reported yesterday from the Committee on Ways and Means by Chairman Wilson, occupied all of the session of six and one-half hours, and the discussion attracted an attendance of spectators which overflowed the public galleries and encroached upon the reserved space for the diplomatic corps and other distinguished visitors. The debate followed in a general way the lines of the debate on the Springer Bill last week, but the Opposition to-day was much more aggressive than on that occasion.

Mr. Wilson was aided in his advocacy of the measure by Mr. Reed (Rep. Mo.), Mr. Payne (Rep. N. Y.), Mr. Turner (Dem. Ga.), and Mr. Ry-nall (Dem. Ind.), all members of the Committee on Ways and Means, who urged that the joint resolution was a business matter merely, disassociated from policies or anything of that kind, the passage of which would result in a saving of \$16,000,000 to the people. Their efforts were seconded by Mr. Daniels (Rep. N. Y.), Mr. Stone (Rep. Pa.), Mr. Coombs and Mr. Hendrix (Dem. N. Y.), Mr. Springer (Dem. Ills.), and Mr. Cooper (Dem. Fla.). The opposition to the passage of the joint resolution was led by Mr. Hopkins (Rep. Ills.) and Mr. Bryan (Dem. Neb.) members of the Committee on Ways and Means, and it developed startling points. Mr. Hopkins asserted that the President was not animated by patriotic motives in sending his latest message to Congress, but by a desire to unload upon that body the responsibility for a transaction, negotiated by his former law partner, that would net the syndicate represented by him \$25,000,000.

Mr. Bryan declared the scheme proposed in the joint resolution to be but another step in the accomplishment of the conspiracy to strangle silver, and solemnly assured the House that so serious did he consider it to be that were there any probability of its passage and the forfeiture of his life would prevent it, he would gladly lay down his life in that behalf. Mr. Gannon (Rep. Ills.) hinted at impeachment, and Mr. Hepburn (Rep. Iowa) said that Republicans who favored the measure proposed a new policy, a repudiation of all the declarations of the party in the past and the institution of a new policy that called for a new following.

Other speeches against the joint resolution were made by Messrs. McMillan (Dem. Tenn.), Wheeler (Dem. Ala.), and Grosvenor (Rep. Ohio), members of the Committee on Ways and Means; Livingstone (Dem. Ga.), Northway and Hulick (Reps. Ohio), Bland and Hatch (Dems. Mo.), Kem (Pop. Neb.), Simpson (Pop. Kans.) and Vanvorhis (Rep. N. Y.).

The vote was taken at 5 o'clock upon the question, "Shall the joint resolution be engrossed and read a third time?" the result being as stated, yeas, 120; nays, 167.

"The bill is dead," officially declared the Speaker, and at 5:30 o'clock the House adjourned until tomorrow at 11 o'clock.

## EUROPE.

## IN FAVOR OF SILVER.

The Society of French Agriculturists has decided to support the National Bi-Metallic League in its appeal to the Government to negotiate with Great Britain, Germany, the United States, the Netherlands, and the Latin States for an international agreement to rehabilitate silver.

## AN ANGRY SCENE.

The London Daily News correspondent in Vienna says: "There was a violent scene in the Bohemian Diet to-day when the Czechs assailed the Imperial Government for continuing the state of siege in Prague. Dr. Gregor, the young Czech leader, declared that the people were being driven towards anarchy and soon would repudiate the authority of Austria. Governor Count Thun, who replied in German, was greeted with angry shouts, 'Speak Czech. He is a paid official and must speak Czech for our money.' His speech throughout was drowned in the fury of the opposition. In the fragments heard he told Gregor that, but for the immunity of deputies, his reference to Austria would constitute treason. Plotting and anarchy must be suppressed, he said, and the exceptional measures would be continued and firmly applied. Howling and tumult followed and the young Czechs seemed to intend to lynch the Governor, but finally the storm subsided.

## MR. HAWES' INSTRUCTIONS.

He Was to Act in Concert With the United States Minister.

LONDON, Feb. 15.—The government stated in the House of Commons to-day that the British commissioner at Honolulu had asked the Honolulu government to reprieve Rickard to enable the commissioner to send to the home government records of the Rickard trial. The sentence imposed on Rickard has not yet been confirmed by the President of the Hawaiian republic and the English commissioner has been instructed to ask for a delay of execution of the sentence. The English commissioner was also instructed that if Rickard was condemned without a fair and open trial all evidence be sent to the home government. The commissioner was also instructed to act in concert with the representative of the United States at Honolulu, who has received instructions similar to those directed to himself.

My blood was in a bad shape and my system was all run down. I thought I must die, but noticing several testimonials in the papers in behalf of Hood's Sarsaparilla I bought three bottles and found that it did me so much good that I continued taking it. I was without appetite, sleepless, and had a headache most all the time. In fact I cannot describe my feelings. After using one bottle of Hood's Sarsaparilla I found it was doing me
